Thank you for choosing to make online contributions to All Saints Lutheran Church, a simple and convenient way to support the mission of our congregation. At ASLC we call this program Simply Giving.

Simply Giving provides automatic methods for making contributions. Such contributions can be a direct withdrawal from your bank (checking or savings) account or can be made by credit/debit card. We encourage that recurring gifts be given by direct withdrawal to minimize bank fees. If you would like to give by credit card, you have the option to include 2.65% for fees.

If you've already created a profile, please "Log In" on the right, otherwise create an online profile and continue.
